Benedictine Hallmark of the Month:
STEWARDSHIP

September 7, 2026

Dear Parents and Guardians,

Peace and blessings!

As we begin this month, we offer our heartfelt prayers for every Scholastic family and for all those affected by the floods, asking for safety, comfort, and well-being after weeks of continuous rainfall. In these challenging times, our strength lies in coming together with care and resilience – this is the very heart of our community.

"Regard all utensils and goods of the monastery as sacred vessels of the altar, aware that nothing is to be wasted or neglected". (Rule of St. Benedict 31:10)

Our focus Benedictine hallmark for the month of September is **STEWARDSHIP**. St. Benedict teaches in his Rule that everything in the monastery – tools, materials, and all – should be treated **"as sacred vessels of the altar."** In this same spirit, stewardship means caring responsibly for what has been entrusted to us: our time, talents, resources, and the environment.

As we witness the devastating effects of recent floods in our province, we are urgently reminded that the health of our environment directly impacts our lives and safety. True stewardship requires us to move beyond mere appreciation and take active responsibility as guardians of creation. Grounded in St. Benedict's enduring wisdom, we are called to thoughtfully nurture, respect, and protect everything entrusted to our care—our time, unique talents, school resources, and our fragile natural environment.

We invite every Scholastic to cultivate a deep sense of gratitude by recognizing all things as gifts from God. By caring for our physical surroundings, practicing environmental responsibility, and generously sharing our capabilities, we honor these divine gifts and work together for the common good.

To help everyone stay informed and prepared, please take note of the following important activities and key events for the month of **September**:
